

CAREER ADVANTAGE

sunyjcc.edu/careeradvantage

**A program designed
for busy adults.**

JCC
JAMESTOWN
COMMUNITY
COLLEGE
S U N Y

Complete your Associate in Applied Science (A.A.S.) degree in two years attending classes one night per week. Choose from three areas of study:

- **Business: Business Administration**
- **Early Childhood Education**
- **Human Services**

The program's user friendly format accommodates your goals and schedule.

- Your program is mapped out for two years so you know when and where your classes meet.
- You take two courses at a time, one night per week for 7 weeks. The rest of the week, you work online with your instructors and classmates to complete required coursework.
- Classes are conveniently scheduled at a JCC location near you.

A network of support to help you succeed.

- Weekly contact with your instructor helps you stay on track.
- Learn with classmates just like you who understand the challenges of balancing school and life and the rewards of completing a college degree.
- A program facilitator will help you navigate the college process so you can focus on your coursework.

A quality degree at an affordable price.

- Financial aid opportunities are available to help cover college expenses.
- Transfer your credits when you are ready to pursue a bachelor's degree.
- Excelsior Scholarship now available.

Designed to fit your schedule

Career Advantage blends the convenience of weekly night classes with the flexibility of online learning. Available at JCC's Jamestown, Cattaraugus County (Olean), and North County Center (Dunkirk) campuses, Career Advantage is ideal for individuals with work and/or family commitments who may not be able to complete a traditional degree program. You know your two-year course schedule at the start, including vacation times, so you can plan your life.

Created for your success

Taught in a cohort model, you meet and work with adults who, like you, are pursuing a college degree while balancing work and personal commitments. Together, you take the same courses and support each other throughout the degree program.

Recommended if you are:

- more comfortable with a group of adult students who are not coming directly from high school.
- self-motivated and able to manage your time well.
- in the workforce and prefer the convenience of night classes and online coursework.
- a parent and need flexibility while caring for your family.
- interested in online learning but still want the support of face-to-face classes.

Discover new opportunities, both professional and educational, and develop networking relationships that will last a lifetime.
